My dear Sir,

I hardly know what to say in reply to your request as to the tablet - I should be happy to accede to your suggestion but rather shrink from such a public announcement as you propose, still I will leave it with you to do as you may think most advisable.

I should like to see

how you have been progressing  
lately and shall try and make  
you a visit before long -

Very sincerely  
A. A. Newman
